### DECLARATION FOR PATENT APPLICATION

As a below named inventor, we hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled **DIAMOND/CARBON NANOTUBE STRUCTURES FOR EFFICIENT ELECTRON FIELD EMISSION**, the specification of which is attached hereto unless the following box is checked:

☒ was filed on February 16, 2001 as United States Application Number or PCT International Application Number 09/784,910 and was Amended on \_\_\_\_\_ (if application).

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR §1.56.

I hereby claim foreign priority benefits under 35 U.S.C. §119(a)-(d) or §365(b) of any foreign application(s) for patent or inventor's certificate, or §365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or PCT International application having a filing date before that of the application on which priority is claimed.
